

PAMULA SRI BHAGATH

sribhagathpamula@gmail.com | +91 6374380811 | DOB - 15 Dec, 2002

SKILLS

PROGRAMMING

Languages

- Novice: Python
- Novice: Java

Tools

- GIT • VScode • Mac OS

Microsoft Tools

- MS powerpoint
- MS word
- MS excel

Technologies

- Docker
- Kubernetes
- SQL
- 5G Core (Basics)
- Sap (Basics)
- Web Technologies
- Linux , Git

OTHERS

- Content Creation
- Dubbing artist
- Public Speaking
- Cooking
- Sports
- Exploring new technologies

EDUCATION

B. E, ECE

Srm Easwari Engineering College

2020-24 | Chennai

CGPA: 8.76

12th , MPC

AV meiyappan matric hr school

2019-20 | Chennai

Percentage: 73%

10th

AV meiyappan matric school

2017-18 | Chennai

Percentage: 77%

LANGUAGES KNOWN

- English • Telugu • Tamil • Hindi

OBJECTIVE

To seek an opportunity in a reputable organization to fully utilise my skills and engineering background, where I can grow professionally and personally, create value, and make an effective contribution to the organization for a bright and rewarding career.

PROJECTS

Publichuman Assault Prediction Using Human Activity Recognition

- The project proposal is to develop accurate human activity recognition model
- And to develop a efficient model for real time deployment.
- And to make this model as a surveillance solution for road surveillance with advanced technologies.
- Develop a mobile application it will give alert to police in case of theft detection by detecting human activities.
- Fixed production website bugs, improving stability and gaining Software Lifecycle insights.

UE Mobility in 4g/5g: The Role Of RLC,MAC and PDCP

- Presented a project on seamless UE mobility in 4g/5g networks using rlc , mac and pdcp.
- Explained handover flow with real-time analogies and workflow diagrams for better clarity.
- Demonstrated minimal data loss techniques during handovers through efficient layer coordination.

Food Webdev - Food ordering and delivery website

- The aim of the project is to develop a website for food restaurant using Html and Css
- And i have used various styles and styling components to design this website in easy to understand manner and this website will be creative and colorful. The name of the website called "Sitara".

EXPERIENCE

KrifySoftwareTechnologies pvt ltd Project trainee | Jan 2023-Mar 2023

Project trainee: Html | Css | Bootstrap | Project management

- I Pursued my Internship in Krify Software Technologies private limited in the field of Mobile App development.
- Developed Mobile application using web technologies like HTML,CSS and Bootstrap.
- Participated in the role of projectlead and managed a team of 3 members.

Position Of Responsibility

- I had the honor of representing AVM School Chennai in a cricket tournament, where we reached the finals and stood up as runners up.
- I was involved in event coordination during Srm Easwari Engineering College's progayatsav fest.
